*Bilaspur, the 26th February 1954*

**No. 1/51/VI/6**—In partial modification of this office notification No. Cine-1/15/V/31, dated the 6/10th March, 1953 and in exercise of the powers conferred by clause (b) of Sec. 16 of the Cinematograph Act, 1952 read with the notification of the Government of India, in the Ministry of Information and Broadcasting No. 20(14)/52-F.II, dated the 21st July, 1952 the Chief Commissioner is pleased to order the following amendments to the said notification:—

1. For Rule 54 read as:—

“54. Prior sanction of the Electric Inspector for all electrical works—(1) Before carrying out any

electric installation work including additions or alterations thereto in any cinema, prior sanction of the Electric Inspector shall be obtained through the Licensing Authority and for this purpose, a plan showing the approximate positions of lights, fans, distributing boards, projecting machines, transformers, converters, etc. a schedule indicating circuit arrangements and their loading and specifications giving the full particulars of the proposed work shall be forwarded to the Electric Inspector.

- (2) All defects revealed in the plan shall be brought by the Electric Inspector to the notice of the applicant or licensee as the case may be and of the licensing authority who may refuse to grant approval to the proposed works until those defects are removed to his satisfaction.
- (3) On completion of the works a set of completion plan showing the electrical works as approved and carried out shall be sent to the Electric Inspector and the Licensing Authority.
- (4) A framed copy of the plan showing all the electrical works executed in the cinema premises shall be displayed in the cinema premises and shall be kept up-to-date.

2. Add the following Rules after Rule 54:—

“54A. Main Circuits—The cinema premises shall have the following separate and distinct main circuits.

- (A) for the stage where stage is intended to be utilised for performances;
- (B) for the auditorium, corridors, exits and all parts;
- (C) of the premises open to the public. The circuits (B) and (C) shall be so arranged that the lights in the auditorium, corridors, exits, etc. shall be, as far as possible, equally distributed on the two circuits.

The two circuits (B) and (C) shall not be combined in one fitting nor shall the wires or leads for one circuit be placed in the same casing or tube as those of the other circuits.

(D) **Emergency Lighting Circuit.**

This circuit shall be fed from accumulators which shall be in fully charged condition before the first admission of the public on any day and shall supply not less than three lamps arranged so as to avoid, as far as possible, a single fault extinguishing all the lamps. The emergency lighting circuit shall be used exclusively for the lighting of the auditorium and shall be controlled from a convenient position inside the enclosure. Two way control from both within and without the enclosure may be adopted for the emergency lighting circuit provided that the control from outside the enclosure is suitably indicated, is not mounted on the same board as any of the other circuits, and is placed in such a position as to be readily handled by a member of the cinema staff but inaccessible to the public.

(E) **Cinematograph Circuit.**

A separate and distinct circuit shall be provided for the supply to cinematograph lamps. Such circuit shall be controlled by a suitable main

switch fuse required in pursuance of paragraph 41 of this Schedule, and there shall be in addition for each lamp a totally enclosed double pole iron clad switch and fuse placed in a convenient position within the enclosure.

When the cinematograph lamp is working the electrical pressure across the terminals of the double pole switch shall not exceed 110 volts.

(F) A separate and distinct circuit shall be provided for supply of energy to fans.

54B. *Sub-Circuits*—(1) The main circuits (A), (B), (C) and (F) shall be sub-divided as may be necessary and no sub-circuit shall be allowed to carry more than 5 amps in the case of auditorium corridors etc. or 20 amps. on 230 V. in the case of stage. Each sub-circuit shall be taken from a distribution board only.

(2) The main leads, etc. for circuit (A), shall, where possible, be kept entirely on the stage side of the proscenium wall and those for circuits (B), (C) and (F) entirely on the auditorium side of the wall.

(3) The lights inside and outside the cinema premises shall be on separate circuits. The lights on the sub-circuits shall be placed alternatively wherever possible.

54C. *Control of auditorium lights from the enclosure*—A portion of the lights in the auditorium may be controlled by switches placed in the enclosure, provided the switches are of totally closed metal clad type associated with suitable fuses. The number and position of such switches shall be subject to the approval of the Electric Inspector.

3. Add the following Rules after Rule 67:—

67A. *Insulation Resistance*—Insulation resistance of the electric installation shall be in accordance with the provisions of the I.E. Rules provided that these Rules shall not be held to justify a lower insulation resistance than 10,000 ohms.

67B. *Shock-treatment Instructions*—Instructions both in English and the local language of the district for the restoration of persons suffering from electric shocks shall be affixed in conspicuous place in the enclosure.

67C. *Temporary lighting*—(1) If it is desired to install temporary lighting, 15 clear days' notice in writing shall be given to the Electric Inspectors, giving full particulars of the proposed work before its commencement and shall not be brought into use without his approval.

(2) All temporary work shall be immediately removed when no longer required for the purpose for which it was installed. In the case of temporary work on the stage, all connections to the permanent installation shall be removed immediately after the performance for which they are used, unless permission be obtained to the contrary from the Electric Inspector.

67D. *Supply to unlicensed premises*—No premises or part of premises not included in the licence shall be supplied with electricity from the licensed premises.

By order of the Chief Commissioner  
MAHABIR SINGH  
Deputy Commissioner

**Public Works and Excise Department***Ajmer, the 5th March 1954*

**No. H(6)/15/53-D&W**—In exercise of the powers conferred by Article 313 of the Constitution read with the Government of India, Ministry of Home Affairs Notification No. 23/42/52-Public, dated 3rd December 1952, the Chief Commissioner, Ajmer has framed the following rules for the recruitment and promotion to the Class IV Excise Service of the State of Ajmer.

**PART I**

1. These Rules shall be called the recruitment and promotion Rules for the Class IV Excise Service in the Excise Department of Ajmer State.

2. The Class IV Excise Service shall consist of (a) Peon-Constables (b) Lifter-cum-Daftri (c) Jamadars.

3. The recruitment shall be made by the following methods :—

(a) All vacancies in the posts of peon-Constables shall be filled by competitive test held in accordance with Part II of these Rules provided that for vacancies of less than 3 months or till the result of the competitive test is published, whichever is earlier, the Collector of Excise Revenue may appoint a candidate possessing the requisite qualifications, who has not passed the competitive test.

(b) All vacancies in the posts of Jamadars and lifter-cum-daftri shall be filled by promotion of Government Servants working as peon-constables according to seniority subject to fitness. Seniority for promotion will be determined by service on the post of peon-constable. If the vacancy can not be filled by promotion due to lack of suitable candidates the Collector of Excise Revenue may direct that such a vacancy may be filled by direct recruitment through competitive test held in accordance with Part II of these Rules.

4. 12.5 per cent and 5 per cent of the vacancies filled by direct recruitment other than by promotion, are reserved for Schedule Castes and Schedule Tribes candidates respectively provided suitable candidates belonging to these communities are available.

5. Seniority in any particular grade shall be determined on the basis of the length of service in that grade as well as service in an equivalent grade. The equivalent grade is defined as service on a rate of pay higher than the minimum of the time scale of grade concerned.

Provided that the seniority of persons appointed on permanent or quasi-permanent basis before the 1st January 1944, shall be determined from the date of their substantive appointment on permanent or temporary post and their seniority shall not be disturbed.

6. Notwithstanding the foregoing provisions a permanent, displaced Government servant of Provinces now in Pakistan may be appointed in Class IV Excise Service of the Ajmer State without a competitive test.

**PART II****Recruitment by Competitive Test**

A competitive test for admission to the posts in Class IV Excise Service shall be held at Ajmer at such time as

the Collector of Excise Revenue, State of Ajmer may prescribe by notifying to the Employment Exchange, Ajmer or to the Departmental candidates as the case may be.

2. (1) A candidate must apply for admission to a test before such date as the Collector of Excise Revenue may prescribe.

(2) If a candidate is in Government Service on the date of his application he shall submit his application through the Head of the Department under whom he is serving.

(3) No person shall be appointed to the service unless he is :—

(a) a citizen of India ;

(b) a subject of Sikkim or

(c) a person who has migrated from Pakistan with the intention of permanently settling in India, or

(d) a subject of Nepal or of Portuguese or French possession in India and if he comes under category (c) or (d) must be person in whose favour certificate of eligibility has been given by the Government of India.

(4) A candidate must have attained the age of 18 years and must not have attained the age of 24 years on the first day of the year in which the test begins, provided that a candidate who is over the age of 24 years may be admitted to the test :—

(a) if he holds substantively a permanent post in any Department.

(b) is recommended by the Head of his Department.

Provided further that the Collector of Excise Revenue may grant such relaxations as he thinks fit in any individual case.

3. A candidate must satisfy the Collector of Excise Revenue that his character is such as to make him suitable for appointment in Government Service.

4. The candidate must have passed Middle School Standard and shall have to produce a certificate issued by the competent authority, i.e., Board of Examination set up by Government or by the Head of a recognised School, where there is no such examination conducted by one authority outside the school, that they have passed the Middle School Standard. They must know cycling well.

Provided that Collector of Excise Revenue may relax the conditions in any individual case.

5. Any attempt on the part of a candidate to obtain support for his candidature by other means may disqualify him for admission.

6. Test under these rules shall be conducted by the Committee consisting of the Collector of Excise Revenue as Chairman and two other officials nominated by him as members for such test.

7. After every test the Committee shall make a list of candidates in order of their merits as disclosed by the aggregate marks finally awarded to each candidate and the candidates will be appointed in that order.

8. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the discharge of his duties as an official of the service. A candidate who (after such medical test as the Collector of Excise Revenue, may prescribe) is found not to satisfy those requirements will be appointed. Only candidates who are likely to be appointed will be medically examined.

9. (a) All appointments shall be made on probation for one year commencing from the date of appointment.

(b) If in the opinion of the Collector of Excise Revenue the work or conduct of an official on probation is unsatisfactory or shows that he is unlikely to become efficient the Collector of Excise Revenue may discharge him.

(c) On the conclusion of his period of probation the Collector of Excise Revenue may confirm the official in his appointment or if his work or conduct in the opinion of the Collector of Excise Revenue has been unsatisfactory he may either discharge him from service or may extend his period of probation for such further period as he thinks fit.

(d) If no action is taken by the Collector of Excise Revenue under Sub-Rule (b) or (c) of this Rule the period subsequent to the prescribed period on probation shall be treated as an engagement from month to month terminable on either side on the expiration of one calendar month's notice in writing.

**Note.**—Before a probation is discharged under clause (b) or (c) of this Rule, the formalities of Rule 6(iii) of the Rules relating to appointment, discipline and appeal or

Class III and IV Government Servants contained in the Chief Commissioner's Notification No. 108/22/48-Admn., dated the 31st July 1950 shall be observed.

### Labour Department

Ajmer, the 5th March 1954

No. 24/12/52-Lab—The Chief Commissioner Ajmer is pleased to make the following rules in regard to the grant of State aid (loans, etc.) to cottage and Small-Scale Industries in the State of Ajmer :—

1. These rules may be called the Ajmer State Aid to Industries Rules, 1954. They shall apply to the whole of the State of Ajmer.

2. They shall come into force at once.

3. All small industrial undertakings having assets and/or a paid up capital, the net value of which, after deducting all encumbrances is Rs. 50,000 or less, shall be eligible for State aid under these Rules within the limits of the Budget provision for this purpose. All such industries will, in these rules, be referred to as small scale industries.

Preference, however, shall be given (a) to cottage industries conducted by artisans or groups of artisans, and (b) to industries organised on a co-operative basis.

Provided that no State aid shall be given to any Joint Stock Company unless the company is registered in India with a rupee capital and the Chief Commissioner/Administrator has approved the composition of the Board of Directors of the Company.

4. (1) The Chief Commissioner with the prior approval of the Central Government shall appoint a Board called the Industrial Advisory Board to advise the Chief Commissioner or the Administrator on the application for State aid.

(2) Each such Board shall consist of not less than 5 and not more than 7 members, of whom not less than two shall be non-officials.

(3) The Chief Commissioner or the Chief Minister or a Minister or the Council of Ministers shall be the Chairman of the Board and shall nominate as Secretary an officer who shall be the Director of Industries (if such a post exists) or an Officer with comparable duties and responsibilities.

(4) The Chief Commissioner may remove by an order in writing any member of a Board if he—

(a) without excuse sufficient in the opinion of the Chief Commissioner is absent without the consent of the Board from more than 4 consecutive meetings,

(b) refuses to act or becomes incapable of acting as a member of the Board,

(c) is declared insolvent,

(d) is convicted of any such offence as in the opinion of the Chief Commissioner implies a defect of character which renders him unfit to continue to be a member of the Board.

(5) No member of the Board shall vote on any question coming before the Board for consideration in which (otherwise than in its general application to all persons and property within the area) he has a pecuniary interest.

(6) The members of the Board and the members of Committees appointed by resolution of the Board shall be paid travelling and daily allowances prescribed by Chief Commissioner for attending meetings of the Board or Committees.

(7) The Board may make regulations in regard to the following matters, namely,—

(i) the time and place of its meetings,

(ii) the manner in which notice of meetings shall be given,

(iii) the conduct of proceedings at meetings,

(iv) the division of duties among the members of the Board,

(v) the appointment duties and procedure of special committees, consisting wholly of members of the Board or partly of such members and partly of other persons,

(vi) generally, the carrying out of the purpose of these Rules.

(8) It shall be the duty of the Board—

(i) to receive and after such enquiry if any as it deems necessary or may be required by these Rules to report to the Chief Commissioner upon applications for State aid,

(ii) to frame complete schemes and programmes for such action as the Board considers necessary for the study and progressive development of industries for the consideration of the Chief Commissioner, and

(iii) to advise the Chief Commissioner on any other matter which may be referred to it.

(9) The Board shall be competent to receive donations, endowments or contributions from the public on such conditions as may be approved by the Chief Commissioner.

5. State aid may be granted to an industry in all or any of the following forms, namely :—

(i) the grant of a loan;

(ii) the grant of a subsidy;

(iii) the supply of machinery and equipment on hire-purchase system;

(iv) the grant on favourable terms of land, raw material, fuel, water or any other property vested in the Government.

6. (1) Loans or subsidies may be granted to small scale industries for the following purposes, namely,—

(i) purchase and erection of machinery, plant and appliances;

(ii) construction of factory, buildings, godowns, walls, ware-houses, tanks and other works required for the industry;

(iii) purchase of raw materials;

(iv) for utilisation as working capital.

(2) No loan granted shall exceed Rs. 10,000 or 50 per cent of the paid up capital whichever is less and no subsidy granted shall exceed Rs. 5,000 or 25 per cent of the paid up capital whichever is less.

7. All loans shall be covered by securities considered adequate by the Chief Commissioner. The types of securities acceptable under these Rules shall include any or all of the following—

- (i) mortgage of borrower's land and/or buildings;
- (ii) mortgage of borrower's machinery, plant, etc.;
- (iii) mortgage of land or buildings or both to be purchased with money loaned by Government;
- (iv) mortgage of machinery, plant, etc., to be purchased with money loaned by Government.

“(v) Adequate securities furnished by persons other than the borrower.”

8. Loans granted under these Rules shall ordinarily bear interest at 5 per cent per annum, but the Chief Commissioner may reduce the rate up to a rate of 3 per cent per annum in special cases. Interest on loan shall accrue from the date of disbursement of the loan; and when the loan is disbursed instalments, interest shall run on each instalment from the date of disbursement of such instalment.

9. Every loan shall be repayable in full within such period as may be fixed in an Agreement in prescribed form, provided that the period so fixed shall in no case exceed ten years from the date of disbursement of the loan or, if it is disbursed in instalments, from the date of the last instalment.

10. Every recipient of State aid shall sign an Agreement in prescribed form, including the following conditions *inter alia*—

- (i) he shall comply with general or special orders of the Chief Commissioner relating to the inspection of premises, buildings, plant, or stock-in-trade employed for the purpose of the industry;
- (ii) he shall make such provision for the training of apprentices as may be prescribed by the Chief Commissioner;
- (iii) he shall permit the inspection by persons authorised by the Chief Commissioner of all accounts relating to the industry;
- (iv) he shall submit the accounts relating to the industry to such audit as may be prescribed by the Chief Commissioner;
- (v) he shall furnish in the manner prescribed by the Chief Commissioner full returns of all products manufactured and sold by them as regards description and quantity;
- (vi) he shall maintain accounts in the manner prescribed by the Chief Commissioner;
- (vii) he shall furnish such statements as the Chief Commissioner may require from time to time;
- (viii) he shall not appropriate as profits of the industry any sum until after the following sums have been paid—
  - (a) an amount considered reasonable by the Chief Commissioner for depreciation or obsolescence of plants and buildings;
  - (b) an amount not less than 25 per cent of the net surplus available after provision for depreciation or obsolescence to be utilised for payment to a sinking fund for the purpose of repayment of the loan granted;
  - (c) the interest due on the loan according to the rate prescribed in the Agreement.

11. The Agreement shall provide that all loans granted under these Rules and all other sums falling due to Government in connection therewith shall be recovered as arrears of land revenue.

12. The Chief Commissioner, on the advice of the Board in writing, may terminate State aid in respect of an industry on any of the following grounds, namely,—

- (i) that any portion of the aid given has been misapplied;
- (ii) that there has been a breach by the owner of the industry of any of these rules or any condition of the agreement;
- (iii) that the application on which the aid has been granted contained or was accompanied by any material statement by the owner which he knew to be false or any intentional concealment by him of any material fact which, in the opinion of the Board, it was his duty to disclose;
- (iv) that the industry is being managed in such a manner as to endanger the repayment of the value of State aid granted thereto.

13. On such termination of State aid, the Chief Commissioner may proceed to recover from the owner as arrear

of land revenue (a) the whole amount of the loan outstanding together with such interest as may be due thereon; and (b) the cost of recovery.

This provision shall be a part of the Agreement.

14. All loans shall be granted after due enquiry either by the Secretary of the Board or by any other person authorised by the Board. The Secretary or the person so authorised shall make a full report to the Board on the following points *inter alia* :—

- (i) the particulars of the properties offered as security and their condition;
- (ii) the manner in which he has verified that such properties are free from encumbrances;
- (iii) the valuation of the properties and the method by which it is made;
- (iv) particulars regarding the recorded or unrecorded co-sharer/co-sharer of the applicant together with his/their interest in the properties to be pledged.

15. The Secretary or the person authorised to make the enquiry shall place all applications for loans or subsidies before the Board and his reports thereon according to rule 14 above.

16. The Board shall, on the basis of this information and any other information that may be in its possession, tender its advice to the Chief Commissioner who, with the approval of the Central Government, where necessary, shall pass final orders on the application.

17. No machinery or equipment shall be supplied on the hire-purchase system unless the applicant deposits to the credit of Government 20 per cent of the cost of the said machinery or equipment.

18. Until the hiring is terminated, the following provisions shall apply, namely :—

- (a) the hirer shall pay punctually without demand the instalments of rent and amount of interest specified;
- (b) the amount of each instalment of rent to be paid for the hire of the machinery and the number of such instalments to be paid before the machinery shall become the property of the hirer shall be fixed by the Board;
- (c) the amount of interest if any, to be paid with each instalment of rent on the remaining unpaid instalments shall be fixed by the Board;
- (d) the hirer shall retain the machinery in his own possession in good and serviceable order and condition, and shall not without the previous written consent of the Board make any addition thereto or alteration therein nor remove the machinery from the premises specified in the application for the supply thereof;
- (e) the machinery shall remain the sole and absolute property of Government and no transfer thereof or assignment of any right, title or interest therein, or the creation of any mortgage, encumbrance or any other charge thereon by the hirer shall be effected, and if so effected shall be void as against Government;
- (f) the authority which sanctions the supply of machinery on the hire-purchase system shall ordinarily require that Government shall be protected against the total or partial loss of such machinery from fire or any other cause by means of insurance, a mortgage of immovable property, the personal guarantee of one or more persons or in any other manner which may be deemed suitable in each case;
- (g) the hirer shall permit the Secretary or any person authorised by the Secretary in this behalf to inspect the machinery at all reasonable times, and the Secretary or such other person shall have all such powers of entry as may be necessary for the purpose of making an inspection;
- (h) in addition to the foregoing conditions, the hirer shall be bound by such other conditions as may be imposed by the Board in any particular case.
